2:00 pm - 3:30 pm

Session 3: **ESG Reporting & Integrating ESG into Business Strategy**

Speakers:

- **Aaroh Dhoundiyal** - Chief of Staff, Credibl
- **Adhil Meeran** - Senior ESG Consultant, Credibl

Description: Explore the critical components of ESG reporting, including navigating through different frameworks and standards, and learn strategies to integrate these aspects seamlessly into your business's core strategy to drive sustainable growth.

Key Outcomes:

- In-depth understanding of different ESG frameworks (e.g., GRI, SASB, TCFD) and how to determine the most applicable for your business.
- Techniques to synthesize ESG data into actionable business insights that drive strategic decision-making.
- Approaches to embed ESG considerations into corporate strategy and daily operations, ensuring alignment with long-term business goals.
- Leverage ESG performance for competitive advantage, improving investor relations and customer loyalty through transparency and accountability.

3:30 pm - 3:45 pm - Networking Tea/Coffee Break

3:45 pm - 5:00 pm

Session 4: Supply Chain Sustainability

Speakers:

- **Harshita Likhari** - ESG Consultant, Credibl
- **Adhil Meeran** - Senior ESG Consultant, Credibl

Description: Focus on operationalizing sustainability within the supply chain, including strategies for engagement, compliance, and improvement across all tiers, from raw material sourcing to end-product delivery and disposal.

Key Outcomes:

- Tools and techniques for conducting detailed sustainability audits and performance reviews in the supply chain.
- Strategies to engage and incentivize suppliers towards sustainable practices, including contractual stipulations and performance metrics.
- Implementation of continuous improvement processes for sustainability that align with international standards and certifications.
- Utilization of digital tools and platforms to track, manage, and report on supply chain sustainability metrics in real-time.

We look forward to your participation in the event!
